Sit-Stand Desk

4-in-1 Complete Ergonomic Workstation

Adjustable Height

Sit-to-Stand Transition

With a shock-absorbing lift mechanism, the desktop easily adjusts from 40-46 in. tall to accommodate seated or standing users (up to 6'2"). The stool adjusts from 22-28 in. tall and easily swivels to the side for standing use.

Adjustable Angles

Customizable Angles

Four (4) settings allow the desktop to tilt between 0-45 degrees to accommodate drawing, drafting, and writing, or a laptop/tablet. Three (3) settings angle the stool between 0-30 degrees to optimize posture while seated.

Built for the Benefits

Reliable, Trustworthy Performance
Trust Teeter for unmatched quality with a **35-year legacy**, industry leading **5-year full warranty** and **3D interactive assembly** with FREE BILT APP for android/iPhone.

Quick & Easy Adjustments
Auto-Locking Knobs, featured on both the desktop and stool, spring into your selected height or distance setting for enhanced security and stability.

Adjustable, Ambidextrous Side Table

The side table offers vertical and horizontal adjustments and can be installed on either side of the desktop to accommodate both right and left handed users.

Secure, Stable Surface
The desktop can support 150 lb. while the side table can support up to 50 lb. Stabilizer Knobs on both the desktop and stool ensure sturdiness, while four (4) stability feet at the base accommodate uneven surfaces. Rust and scratch-resistant, powder-coated steel frame ensures support and stability.

Quick Transport
Rolling wheels allow for the desk to be transported or stored out of the way quickly and easily without damage to floors.

Built-in Foot Platform & Pencil Tray
The desktop base doubles as a foot platform to elevate achy or tired feet in the sitting position. A built-in pencil tray on the desktop allows for storage of a drafting/writing utensil.
