

Contour® L5 Ltd. Inversion Table

Unique or Added Value Features

One-Click Balance Feature with Patented Pivot System

One click adjusts the balance point to accommodate users of different shapes and sizes without removing the Table Bed from the frame. Pivot system ensures smooth, whisper-soft rotation and control.

Deluxe EZ-Reach Ankle System

Triple-lock security and an extended handle reduces the need to bend when securing the ankles. Ergo-Embrace cups provide maximum support and security.

Ergonomic FlexTech™ Bed

Patented design moves with you, accommodating stretches for greater range of motion, encouraging realignment and relaxed muscles. An adjustable pillow included for comfort.

EZ-Angle™ Tether & Better Back™ Accessories

Included Acupressure Nodes & Decompression Arch add healing pressure and support of the lower back to enhance decompression. Adjustable tether marks preset angles at 20, 40 and 60 degrees for easy rotational control.

Built for the Benefits

Reliable, Trustworthy Performance

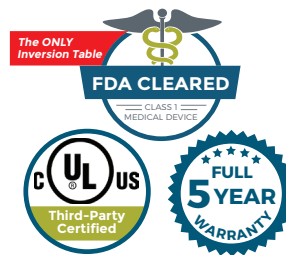

The Teeter is an FDA-cleared Class 1 medical device indicated for back pain and related conditions. UL Listed Label demonstrates independent certification to meet the toughest quality standards. Trust Teeter for unmatched quality with 35-year legacy, industry leading 5-year full warranty and easy 13 min. assembly.

Sleek Frame Design with Precision Balancing

Unique frame creates both an aesthetic and functional benefit - the style is like none other in the market and the curve of the front legs allow easier mounting and dismounting. One-of-a-kind engineering offers smooth rotation and controlled lockout in full inversion.

Stable Base & Quick-Fold Storage

The heavy-duty steel base is coated in a scratch-resistant finish and features stability feet that help protect your floors. Folds for storage in just a few seconds.

Height Capacity	4'8" - 6'6" (142-198 cm)
